Adding a CMS Region

### 🖥 GO TO

ADMINISTRATION> BILLING SETUP> SELECT CMS REGION

☰ STEPS

1. Select CMS Region

Select CMS Region

New York - Upstate ⬍   ✔ SET

💡 NOTES

- *Your CMS region is responsible for determining where your Medicare claims are routed*
- *Your CMS region assigns your fiscal intermediary, which Is the insurance company that processes Medicare claims in your area*
- *The CMS region sets the Medicare fee schedule based on geography*
- *Medicare fees within the WRS system are based upon your CMS region*
